### Complaint details

<b>Complaint type</b>	Food handling practice, hygiene or business cleanliness
<b>Main concern</b>	Animals in the food business (e.g.: dogs in dining area)
<b>Food safety concern</b>	Went into Crazy Kevin's Café and ordered a cup of coffee and some cake for morning tea. Was sitting there quietly when a man and a large German Shepard dog came into the café. The man sat down at another table and left the dog at the table when he went up to the counter to order. Another lady came in with a dog. When the second dog came in the first dog started growling and barking really loudly. The second dog, then started to get territorial and lifted its leg on the table near the doorway. It also began barking. After about 5 minutes of loud barking the owners of both dogs finally got the dogs under control, and sat down at separate tables in the restaurant. It took at least 15 minutes before someone cleaned up the dog wee.
